Dear Parents and Guardians,

HB 529, Moments of Silence in Public Schools, was signed into law and will be implemented this school year. The bill provides that Principals must require first-period teachers in all public schools to provide this one to two-minute moment of silence every day. On behalf of our teachers, please discuss with your child how to best use this time. If you should have any questions, please reach out to your school of attendance.

Thanks for your continued support of the Washington County School District.

Sincerely,

Joseph Taylor

Superintendent

Washington County School District
