### **ATTENDANCE POLICY FOR ALL WASHINGTON COUNTY SCHOOLS**

School Code 1003.26 states that it is the responsibility of the superintendent to enforce school attendance and those schools must respond in a timely manner to every unexcused absence or absence for which the reason is unknown. The purpose of this policy is to establish procedures and guidelines to be utilized by parents, students and school and district staff.

### **GENERAL PROCEDURES**

The teacher's grade book or other approved school attendance records at the school will be the final authority in determining the number of absences for each student.

Each of the schools will document attempts in FOCUS to notify parents of each absence for which the reasons are unknown. However, failure to successfully notify parents/guardians shall not negate the attendance policy.

All students will be allowed up to 3 days to make up work in the event of an absence. All assignments announced in advance of the student's absence must be made up on the day the student returns to class.

**School day attendance definition – An absence is defined as missing more than one-half of the school day.**

**Washington County Schools practice “no nit” precautions. Children will be sent home if they are found to have live lice or nits. All nits (louse eggs) must be removed from your child's hair before returning to school. This is an important step for preventing re-infestation**

All questions relating to the attendance policy are to be directed to the school. The concerned party should contact the school's attendance officer for clarification first and then the school principal or his/her designee. An attendance committee from the school will be selected to handle all attendance/grade/excused absence issues.

### **TARDIES AND CHECKOUTS**

A student who arrives to school after the scheduled beginning time will be recorded as tardy for that day. A student who is checked out before the class or school day is officially over will be declared a “checkout”. Checkouts are recorded in the school office. However, the school principal has the authority to excuse or determine the consequence arising from recorded checkouts.

Four (4) unexcused tardies or unexcused checkouts in a nine (9) week grading period will be considered as one (1) unexcused absence for the period in which the tardy or checkout occurred. This is for the purposes of contacting parents and referring to the district office.

## **ABSENCES**

Parents/guardians are to sign in/out their child when missing school for excusable appointments or emergencies and are to comply with the individual school procedures established with the school's attendance officer.

### **Excused Absence**

Excused absences will be given for the following reasons:

- Religious instruction and/or religious holidays
- Sickness, injury or other medical condition
- School leave – school approved trips such as instructional field trips, club events, athletics, etc. These are not counted as absences
- Other academic classes or programs
- Educational trips – when requested by parents (five (5) school days in advance), trips for educational purposes may be granted
- Pre-approved absences – absences from school approved by the administration prior to occurrence
- Funerals (documentation must be provided)
- Legal reason (documentation must be provided)
- Other absences as approved by the principal/designee

Parents or guardians are required to justify each absence. A parent note for reasons as listed above will be accepted for each absence up to four (4) during a nine (9) week period.

Any other absences, after the fourth absence, will only be excused with a note from a doctor or dentist, funeral program of immediate family member, religious holiday, documentation for a legal reason or principal's/designee's excuse.

Students must turn in excuse documentation to the office upon return to school. If the appropriate documentation is not provided after a reminder and within a reasonable amount of time, the absence(s) will be unexcused.

### **Unexcused Absence**

If a student has four (4) or more unexcused absences, or absences for which the reasons are unknown, within a nine (9) week period or ten (10) unexcused absences at anytime during the school year, the student's primary teacher shall report to the school principal or his/her designee that the student may be exhibiting a pattern of non-attendance.

### **Principal Referral to Child Study Team**

If a student has five (5) or more unexcused absences, or absences for which the reasons are unknown, within a calendar month **or** ten (10) unexcused absences or absences which the reasons are unknown, within a 90-calendar-day period, the student's primary teacher shall report to the school principal or his/her designee that the student may be exhibiting a pattern of nonattendance F.S. 1003.26 (1) (b).

The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's child study team to determine if early patterns of truancy are developing, per F.S. 1003.26(1) (b). If the child study team finds that a pattern of nonattendance is developing, a meeting or phone conference with the parent must be held to identify potential remedies. The principal or designee must maintain documentation or attempts of parent documentation.

If an initial meeting does not resolve the problem, the child study team shall implement interventions that best address the problem. The interventions may include, but need not be limited to:

- Frequent communication between the teacher and the family
- Changes in the learning environment
- Mentoring
- Student counseling
- Tutoring, including peer tutoring
- Placement into different classes
- Evaluation for alternative education programs
- Attendance contracts
- Referral to other agencies for family services or
- Other interventions- including but not limited to a truancy petition pursuant to s. 984.151

The child study team shall work diligently in facilitating the intervention services, however, if a parent refuses to attend the child study team meeting, the child/parent may be referred to Truancy Court.

If a student accumulates 15 unexcused absences, the principal or his/her designee shall notify the district office contact and the child/parent will be referred to truancy court.

**Penalties Associated with Habitual Truancy:**

**Parents.** A parent who refuses or fails to have a minor student who is under his or her control attend school regularly, or who refuses or fails to comply with the requirements of school attendance, commits a misdemeanor of the second degree (F.S. 1003.27(7)(a)). The court may also order a parent who violates compulsory attendance to participate in approved parent training class, attend school with the student, perform community service hours at the school, or participate in counseling

**Students.** In addition to any other authorized sanctions, the court shall order a student found to be a habitual truant to make up all school work missed and may order the student to pay a civil penalty of up to \$2, based on the student's ability to pay, for each day of school missed, perform up to 25 community service hours at the school or participate in counseling or other services, as appropriate (F.S.1003.27(7)(d)).

Upon a second or subsequent finding of habitual truancy, the court, in addition to any other authorized sanctions, shall order the student to make up all school work missed and may order the student to pay a civil penalty of up to \$5, based on the student's ability to pay, for each day of school missed, perform up to 50 community service hours at the school, or participate in counseling, as appropriate (F.S.1003.27(7)(d)).

**Make Up Work**

When a student is absent he/she is expected to make up all work missed. The procedures are:

1. The student must contact the teacher on the first day back in school (or on the first day back in the course or class in which the absence occurred) in order to make arrangements to make up the work.
2. It will be the student's responsibility to make-up the work within three (3) school days.
3. All assignments announced in advance of the student's absence must be made up on the day the student returns to class.
4. The teacher and / or the principal may grant additional time for making up work if warranted by the individual situation.

### **Withdrawal**

No student under the age of 18 can be withdrawn except for reasons as stated in the Florida Statutes. The school must notify the district office of any student under the age of 18 who drops out or withdraws from school without transferring to another educational environment. Both the parent and student under the age of 18 must sign the appropriate form to terminate school attendance.

### **D. Washington County Dress Code**

Appropriate wearing apparel and grooming styles are an essential part of education. The word “appropriate” shall be defined to include cleanliness, safety, modesty and good taste. All instructional personnel shall give helpful, friendly guidance on these matters without causing embarrassment to the student.

The principal may use a committee of faculty, parents, and students to make additions to these guidelines, however, there may be no deletions or revisions of the above.

**Florida Statute 1006.07(2)(k)(l) and (m)**, violent or disruptive students assigned to an alternative educational program, students who have been expelled for a firearm or weapon, or a student who is determined to have made a threat or false report, as defined by SS 790.162 and 790.163, are subject to disciplinary action and may receive a referral for a mental health evaluation and/or services.

### **E. Prohibition of Sexual Harassment by Students**

The School Board desires to maintain an academic environment in which all students are treated with respect and dignity. A vital element of this atmosphere is the Board’s commitment to equal opportunities and the eradication of discriminatory practices including sexual harassment. Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the School Board. Sexual harassment’s destructive impact wastes human potential, demoralizes students, and perpetuates the tendency to further unacceptable behavior. For these reasons, the School Board forbids harassment against any student on the basis of sex. The Board will not tolerate sexual harassment activity by any of its students.

1. Definition. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school-sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact; or that substantially interferes with a student's academic performance, or creates an intimidating, hostile, or offensive school environment.

**Examples of sexual harassment** may include, but are not limited to the following:

- a. Verbal harassment or abuse of sexual nature
- b. Subtle pressure for sexual activity
- c. Repeated remarks to a person with sexual or demeaning implications (e.g., a person's body, clothes or sexual activity)
- d. Unwelcome or inappropriate physical contact such as patting, pinching, or unnecessary touching
- e. Suggesting or demanding sexual involvement accompanied by implied or explicit threats
- f. Display of sexually suggestive objects, pictures, or written materials

Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.

2. Specific Prohibition. It is sexual harassment for a student to subject another student or a school employee to any unwelcome conduct of a sexual nature on school property or at a school-sponsored event. Students who engage in such conduct shall be subject to penalties as described herein.
3. Procedures. Any student who alleges sexual harassment by another student should complain to the building principal, assistant principal(s), guidance counselor or school-based equity coordinator. Filing of a complaint or otherwise reporting sexual harassment will not affect the student's status, extracurricular activities, grade or any other assignments. The complaint should: be in writing, state the act or acts, state the date (s), state the names of witnesses, and be signed by the complainant.  
The right to confidentially, both of the complainant and of the accused, will be respected, consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.  
In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment
4. Penalties. A substantiated charge against a student shall subject that student to disciplinary action consistent with the Code of Student Conduct.

## **F. BUS CONDUCT**

**First Referral:** Bus driver contacts the parent(s) or guardian (s). If the student doesn't have a telephone, the bus driver can send a note home and request that the note be signed by the parent(s) or guardian(s) and returned to the bus driver. If the note is not returned, action will be taken by the principal.

**Second Referral:** Principal / Assistant Principal will contact the parent(s).

**Third Referral:** Results in a one (1) – two (2) day suspension from the school bus.

**Fourth Referral:** Results in a three (3) –five (5) day suspension from the school bus.

### **Students are expected to:**

- a. Report to their classrooms immediately after unloading from the buses after 7:30 and/or eating breakfast. ## **3. Action/Consequences for Misconduct**

Faculty and staff should give a verbal or visual warning prior to administering harsher consequences. If this warning is not heeded an action/s for less serious misconduct will be administered. If misbehavior continues office intervention is appropriate. Parents will receive notice of behavioral difficulties through the student and/or a disciplinary summary from the office.

If a problem arises between a student and teacher, parents should first discuss the problem with the teacher. If a satisfactory solution is not reached, an appointment may then be scheduled with the administration. In extreme cases administration will conference with parents prior to a joint conference with the teacher.

Conferences with a teacher should be scheduled in advance and occur during the teacher's planning period or at the end of the day. Please call the school's office to make appointments for conferences. Upon arrival to school, the parent/guardian must sign in through the office Raptor system to receive a visitor's identification pass.

Café Courtesy: Students are to enter and leave the cafeteria in an orderly manner. Students are expected to control their behavior while in the lunchroom. Multiple incidents by the same student will be communicated to the classroom teacher and/or assistant principal. Quiet talking is encouraged. Students may be assigned to an alternate lunchroom detention table if their behavior deems it necessary.

Severe disruptions will result in immediate referral to the office and will be dealt with in accordance to the Washington County School Board Policies.

If a physician has ordered medication to be taken at school, parents must follow the procedures below:
