Attention Parents and Students:

AR will look very different this year. There will not be school-wide rewards (trips, parties, etc.) at the end of each nine weeks. Grade level teachers will set goals for their grade and individual teachers will provide the rewards. ILE students' goals will be set and awards will be provided by the parents of those students. There will not be the "end of the year" trophies and monetary awards as in the past; ribbons will be provided for top readers from "brick and mortar" students and from "ILE" students. If you would like to help with rewards for AR goals, please contact your child's teacher to see what they need. Thank you for all you do.

VES will NOT be watching the parade this year from the front of our campus.

If you would like your child to watch or participate in the parade, please check them out before 11:30 am. The parking lot will be closed after this time.
